You have previously completed a questionnaire containing questions on how you have been feeling and how your lung disease was affecting your life. This is a follow up questionnaire designed to ask you how you have been since that time.

Please read these instructions for completing this questionnaire:

Please read each question carefully and then place an “x” in the box beside the answer that best describes you. If you would like to change an answer, put a line through the box you want to change. Place an “x” in the box beside the option you would like to choose instead.

If you are unsure about how to answer a question, please give the best answer you can.

Remember there are no right or wrong answers.

Please continue on the next page.
