Publisher's note

Nota del Publisher

We at Elsevier would like to inform you that certain discrepancies have been detected in the impact factor (IF) of our journal in 2021 due to an error that has been acknowledged by Clarivate, the company who are responsible for calculating IF.

Nonetheless, all articles published in our journal in 2021 will maintain their IF of 5867. We are waiting to learn the IF for 2022, and will inform you when we are notified.
