

DECLARATION OF CONFLICT OF INTEREST

Journal ENFERMEDADES INFECCIOSAS Y MICROBIOLOGÍA CLÍNICA
 Supplement "Hepatitis B in 2008"
 Volume 26, Supplement 7, May 2008

Presentation

José María Sánchez Tapias
 and Vicente Soriano
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:1

Conflict of interest:

José María Sánchez Tapias declares to have worked as scientific consultor for Bristol Myers, Novartis, Roche Farma and Schering-Plough. Vicente Soriano declares he has no conflict of interest.

Molecular virology of the hepatitis B virus

Francisco Rodríguez-Frias
 and Rosendo Jardi
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:2-10

Conflict of interest:

The authors declare they have no conflict of interest.

Natural history and clinical manifestations of chronic hepatitis B virus

Miguel Carneiro de Moura
 and Rui Marinho
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:11-8

Conflict of interest:

Miguel Carneiro de Moura declares he has no conflict of interest. Rui Marinho declares to have done sporadic consultancy for Gilead, Bristol Myers and Novartis.

Interferon in hepatitis B

Luisa García Buey,
 Fernando González Mateos
 and Ricardo Moreno Otero
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:19-31

Conflict of interest:

The authors declare they have no conflict of interest.

Nucleoside and nucleotide analogs in the treatment of chronic hepatitis B

María Buti
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:32-8

Conflict of interest:

The author declares she has no conflict of interest.

Entecavir

José Luis Calleja and Beatriz Peñas
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:39-48

Conflict of interest:

The authors declare they have no conflict of interest.

Resistance in hepatitis B virus

Julie Sheldon, Rui Sarmento e Castro
 and Vicente Soriano
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:39-55

Conflict of interest:

The authors declare they have no conflict of interest.

Management of patients with chronic hepatitis B virus infection

Manuel Rodríguez and
 María Luisa González-Diéguez
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:56-65

Conflict of interest:

Manuel Rodríguez declares to have been consultor for Bristol Myers and Squibb and Novartis Farmaceutica. María Luisa González-Diéguez declares she has no conflict of interest.

Hepatitis B in children and pregnant women

Paloma Jara and Miguel Bruguera
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:66-70

Conflict of interest:

The authors declare they have no conflict of interest.

Hepatitis B in patients with HIV infection

Pablo Barreiro,
 Luz Martín-Carbonero
 and Javier García-Samaniego
Enferm Infecc Microbiol Clin.
 2008;26 Supl 7:71-9

Conflict of interest:

The authors declare they have no conflict of interest.
